### **Re: Notification for the installation of an in-street Micromobility Corral in the 1600 block of Church Street, NW**

#### **Notice # 19-307-PSD**

Dear Commissioner Cunningham,

Pursuant to the “Administrative Procedure Amendment Act of 2000” D.C. LAW 13-249 (48 DCR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give a written notice of our intent to modify traffic and /or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to implement the following in your jurisdiction.

DDOT proposes to repurpose one (1) residential motor vehicle parking space in the 1600 block of Church Street, NW for an on-street bicycle and scooter, or ‘micromobility’, corral.

DDOT has worked with the ANC to identify locations for micromobility corrals throughout the 17<sup>th</sup> Street, NW corridor to add much-needed bicycle parking to the area while reducing cluttering of scooters on the sidewalk. This location was reviewed and approved by DDOT's street safety team.

All Comments on this subject matter must be filed in writing, not later than **Thursday, January 23, 2020**, thirty (30) business days after the date of this notice, with the District Department of Transportation Planning and Sustainability Division, 55 M Street, SE, 5<sup>th</sup> Floor, Washington, DC, 20003 or via email at [greg.matlesky@dc.gov](mailto:greg.matlesky@dc.gov). If you would like to check the status of this Notice of Intent (NOI), please visit DDOT's website at <http://ddot.dc.gov/service/ddot-notice-intent>. In addition, if you have questions, have trouble accessing the NOI site or are unable to do so, please contact me at 202-535-1942.

Sincerely,
